

# Self-Evaluation Checklist for Faculty Review, College of Electrical Engineering and Computer Science, National Chung Hsing University

Teacher's Name:

Department/Institute:

Title:

Years of Service: \_\_ years

Evaluation Date:yy/mm/dd

Teacher's Signature:

Category	Item and Description	Self-Evaluation (Please check)		Unit Endorsement
		Meets Criteria	Does Not Meet Criteria	
Teaching	Teaching hours (including class and practicum hours) comply with the "National Chung Hsing University Teaching Hours and Overload Compensation Calculation Guidelines" (Last five years).			Academic Affairs Office Endorsement
	The evaluated faculty member's graduate thesis topics align with their professional field within the last five years.			Departmental Evaluation Committee Endorsement
Research	Publications (journal articles, conference papers, books, patents, etc.) or research projects funded by the National Science and Technology Council in the last five years. Note 1			Departmental Evaluation Committee Endorsement
Service	Departmental and other internal/external service activities. Note 2			Department Head Endorsement

Note 1: Publications must be authored as the first author or corresponding author. Attach two representative works from the last five years, or one work if the service period is less than five years. The representative works must be indexed by SCI or EI. Research performance descriptions (including academic awards and funded research projects) should be substantiated by the last five years' results from research projects funded by the National Science and Technology Council's Department of Engineering and Technologies.

Note 2: Service performance descriptions should be listed in an attachment, detailing positions or activities held over the past five years within the department or other internal/external roles, accompanied by supporting documentation.

Agree with the self-evaluation result.

Disagree with the self-evaluation result. (Reason: \_\_\_\_\_ )
