

# Specific Review Details for Faculty Promotion in the College of Electrical Engineering and Computer Science, National Chung Hsing University

**Explanation**

- 1.The faculty publication score is calculated based on the weighted average of scores from external reviewers. The faculty review committee may adjust the score during academic and professional evaluations.
- 2.If the review committee adjusts the score, specific details must be documented.
- 3.If the specific review details are not filled in, any score adjustments in the review form will be considered invalid.

Name of the Faculty for Promotion		Department /Institute
